A Family Fun Christmas Party

Santa and his helpers were busy at Las Posas School...

The Camarillo Noontime Optimist Club in collaboration with the the Pleasant Valley School District held their annual Christmas for Needy Families event at Las Posas School on December 14th. A number of families and kids identified by the school came to see Santa, do arts and crafts, enjoy refreshments, listen to holiday music and pick up gift cards. Thanks to the generosity of the club, extra member donations, the staff at PVSD and Target, each family received a \$100 gift card and each child was given a \$15 gift card. Santa gave each child a goodie bag stuffed with fruit, candy, toothbrushes, tooth paste, pencils, erasers, toys and much more.

The **Las Posas School principal, Dr. Vanessa Walker**, opened the multi-purpose room that was beautifully and seasonally decorated with student art work. **Dr. Angelica Ramsey**, district superintendent attendee at this event, brought donations from the PVSD staff and helped greet the visiting families. **Judy Crenshaw**, a retired PVSD teacher and veteran Needy Family event worker, coordinated the arts and crafts tables with fellow retired teachers—Mary Rockwell, Sharon Bellman, Joyce Klemann and Peggy Selek. **Janna Visser** and **Jeanett Bassett** coordinated the event and rounded up fellow Optimists to bring refreshments, supplies, goodie bags, music and lots of holiday spirit. **Frank Roth** was the man in the red suit and his two grandsons, **Danny and Sean**, were elves that helped Santa greet and pass out gifts and bags for the children.

Dec. 5 - Honor Student, Flag Raiser and More...

Maya Yates, a 6th grade student at Las Colinas Middle School, received the **Youth We Appreciate Award** from the Camarillo Noontime Optimist Club at their December 5 meeting. **Chantelle Limon** presented the award, and **Janna Visser**, the YWA coordinator, made all the contacts and arrangements. **Mrs. Edie Robbins**, her teacher, shared some of the achievements and activities that made it easy to select Maya for this honor. She is a hard working, all “A’s” student, that helps others in class and, as the ASB Sergeant of Arms, raises and lowers the school flag each day. Maya is a Girl Scout Cadet, participates in Cinematic each year, runs cross country for Las Colinas, and is on a local gymnastic team. Supporting her at the Optimist Club were her parents, **Sarvpreet Baja and Todd Yates**; principal, **Eric Golden**; and **PVSD Superintendent, Dr. Angelica Ramsey**. In addition to the award certificate, Maya earned a \$100 gift for her school.

Jimmy Weldon shares the “Pirates” of the War of 1812...With the help of a slide show with voice narration, sound effects and music, Jimmy took the Optimist Club members and guests back to the battles that inspired the Star Spangled Banner and many of the interesting characters that fought to win the war. He shared the agreement that Andrew Jackson made with the, at that time, notorious pirate—Jean Lafitte and his ships and men—to help defeat the British at the Battle of New Orleans in 1815. Although the War was officially over at the time—the message was late in arriving from Washington, D.C.—the British were soundly defeated and Lafitte and his men were pardoned from that time on.

Jimmy took the time to send a signed copy of his book—Go Get ‘Em Tiger—and seven CDs from his collection including wonderful “Memory Lane” songs, “A Pirate Saves America,” “Frank Sinatra Sings”, “Feel Good Songs of Yesteryear”, and more for members to borrow when they come and go to our Monday meetings. Jimmy sure has been a wonderful, kind and inspirational friend to us for many years!

Dec. 19 - "A Tribute to Joyce Amer—An Optimist With Love, Kindness and Kids at Heart"

Many thanks to all of you who helped make the Monday meeting special for Joyce Amer. I know she was touched and very grateful for all the kind words and remembrances that were shared by members and friends. A special thanks goes to **Howard Hoover** for organizing the presentations and sharing a wonderful list of events, activities and projects that he and Joyce have done together in the Optimist Club over many years. Too, **Janna Visser** deserves a big thank you for

bringing the cake and flowers and sharing many of the school, community, country and beyond activities the Camarillo area **JOI Clubs** do. Joyce Amer has been instrumental in starting and growing the JOI Clubs that the Camarillo Noontime Optimist Club sponsors. A big thank you is extended to **RaeAnne Michaels, David Stone, Ada Lee Sullivan, Jeanette Bassett, Ron Klemann and Frank Roth** for their tributes to Joyce.

For those of you who were not present Jeanette Bassett presented Joyce with the **Christian D. Larson Award** and noted that a \$1000 gift was donated to this foundation in her name. Mr. Larson is credited with writing the Optimist

Creed. Although Joyce is retiring from the club, she says she will be supporting and helping out wherever she can, so expect to see her at our meetings and upcoming events as a “Friend of Youth” for some time to come.
